In 1984, we adopted our current name. In 1999, we received official non-profit status. Over the years our conductors have been: Donald C. Clough (11years and current *conductor emeritus*), George Cavender, William D. Revelli, James Curnow, Leonard Falcone, Frank Tamburrino, Jim Lee, Lori Liley, and our current conductor, Roy Johnson (President of MSBOA District III and 28-year music staff member at Brandon Public School District (Ortonville, MI).
