♫ ♫ ♫ ♫ ♫ ♫ ♫ ♫

The Flint Symphonic Wind Ensemble began in March of 1966 as the Flint Civic Wind Ensemble, first organized by Donald C. Clough under the auspices of the Flint Community Music Association—the parent organization of the Flint Symphony Orchestra at that time. In 1984, the current name was established. The group's non-profit status was granted in 1999.

Mr. Clough conducted until June of 2004, when he became Conductor-Emeritus. At that time Ms. Lori Liley, Music Instructor at Lapeer Public Schools, took over as Conductor. Our current interim Conductor is Mr. Roy Johnson, President of MSBOA District III and Instrumental Music Instructor at Ortonville Public Schools.

The focus of the Flint Symphonic Wind Ensemble is to provide practice and performance opportunities for adult musicians, and education and entertainment for the community. We engage in support activities for school musicians in terms of instrument procurement and are linked with at least three other area bands.
