About Us

Our organization came into being in March of 1966 as *"The Flint Civic Wind Ensemble"*, organized by Donald C. Clough (Conductor Emeritus) and sponsored by the *Flint Community Music Association* (the parent organization of the *Flint Symphony Orchestra* at that time). Our name changed to *"Flint Symphonic Wind Ensemble"* in 1984 and we received official non-profit status in 1999.

The Misson of the Flint Symphonic Wind Ensemble

- To provide musical access to both practice and performance for adult musicians.
- To provide music education and entertainment for the community.
